Dermatology Services CORPORATE PACKAGES

Unlock the convenience of rapid access to an expert led dermatology service right in your workplace with VHI's exclusive corporate package!

Ireland's fastest path to skin treatment

through our nationwide partner,
AllView Healthcare

Say goodbye to waiting and hello to a skin care solution that fits seamlessly into your busy schedule. Act now to prioritise your well-being with swift and efficient dermatological care and enquire about our corporate package today!

What skin conditions do we examine?

We offer a variety of comprehensive treatments for a wide range of skin conditions such as:

- ✓ Lesions
- ✓ Moles
- ✓ Eczema
- ✓ Acne
- ✓ Dermatitis
- ✓ Psoriasis
- ✓ Rosacea
- ✓ Alopecia
- ✓ Potential cancerous growths

Your well-being is our priority. Please be aware that our special corporate service is designed to provide care at the company level.

If you're interested in learning more about this nurturing screening program, we warmly encourage you to get in touch with **AllView Healthcare**. They are ready to guide you through the details and ensure you and your colleagues receive the attentive care you deserve.

Find out more on our partner's, **AllView Healthcare** website:

Appointment

Fill in the **appointment request form** on AllView Healthcare's website and be seen within days directly in your workplace. Your HR department will provide you with the **corporate's unique ID** that is required at enquiry stage.

Image scan

Microscopic and macroscopic images of up to 3 skin complaints will be taken using state-of-the-art technology in a specialist nurse-led consultation.

Education Session

On site personal 1:1 educational session with a specialist nurse. This session will **empower you with valuable insights** into recognising changes in your existing moles, understanding different types of moles, and essential guidance on sun protection.

Diagnosis

Your condition(s) will be **diagnosed remotely** by an Irish registered Consultant Dermatologist.

GP call

You will receive a call from a Registered GP or Nurse with the **results and a treatment plan**.

Your next steps

If required, you may be referred for a face-to-face consultation or surgical procedure in our **360 Health Centre** in Carrickmines – all within days. – **all within days**
